

**Update Article:**

***“Kenya 2019 Article Update on the Super Six selected for school scholarships ...”***

Our NDT Kenya coordinator, Mr Joseph Dawson Olita, spent the 2019 Independence weekend (1-2 June 2019) in Kitui County of Eastern Kenya visiting our 6 NDT girls who are on an education scholarship there with Katwala High School for Girls. He met the 6 girls and their coaches and later held discussions with the school principal on strengthening the scholarship programme. He also watched the 6 girls play their sub-county netball finals where they beat Kisasi Secondary school 79-1 (not a typo) to emerge sub-county champions ahead of the County competitions next week. We are very proud of the girls and we will support and keep tabs on them all through.

From previous Jan 2019 article to help with names

Good News. Six of our NDT Kenya Girls have received secondary school scholarships purely based on their netball standards they have learnt under NDT. It's a full scholarship – all their tuition fees are being paid. They just have to pay for their meals, transport and personal items. They join Katwala High School in Eastern Kenya. They are all travelling tonight to Nairobi then to Kitui County. They were scouted by our partner Joseph Nzioka Makau (from Eastern Kenya) who is an umpire and scouts for scholarships for netball girls. He selected them during NDT tournaments he attended.

They are:-

Mildred Cecilia

Beth Chesang

Pauline Akodoi

Martina Matayo

Virginia Akadikor

Yvonne Oriama
